

Simple, natural, delicious oat milk that'll make you savour every sip! Enjoy a rich & creamy barista-style oat milk with Okja Oat Milk.

Jr Promotion has been working with OKJA for the past couple of months. This exciting new brand was launched in 2020. Not only do they offer the original Oat milk flavour, but two other variants Coffee and Choco which consumers are loving with no added sugar and only 4 ingredients OKJA Oat Milk is one to try. The Hazelnut Spread is another consumer favourite with more Hazelnuts and does contain sugar, hence why they say its "Naughty. Not Evil"
